**Another active week at NCIS. With many new and important developments taking place in our industry, we bring you a "round-up" of NCIS activities, meetings, projects and progress. A list of future events will also be included in each edition.**

**We welcome your comments and look forward to sharing this update with you.**

*The heat is on in the Midwest with temps in the 90's all week.*

## 2014 Crop-Hail Corn, Soybean, Wheat and MPCl Forage School

The 2014 NCIS Crop-Hail Corn, Soybean, Wheat and MPCl Forage School took place at the Southeast South Dakota Experiment Farm in Beresford, South Dakota, July 15. Over 79 participants reviewed Crop-Hail and MPCl loss adjustment procedures for the various crops using hands-on training by rotating throughout the various four crop field training areas.

## NCIS Train the Trainer Conference

The NCIS Fall Train the Trainer Conference will be getting underway tomorrow, July 22 and continue Tuesday, July 23, in Overland Park, Kansas. This important national conference is designed for NCIS training contacts and company training personnel. This session provides trainers with updated technical information and training materials needed to prepare and conduct their company fall training for the 2015 crop year. This meeting will incorporate Farm Bill related material and activity.
