Another active week at NCIS. With many new and important developments taking place in our industry, we bring you a "round-up" of NCIS activities, meetings, projects and progress. A list of future events will also be included in each edition.

We welcome your comments and look forward to sharing this update with you.

Introducing Our New Summer Intern

Our new Summer Intern has joined the office! Hannah Wiebelhaus is currently studying Agricultural Business at Colorado State University in Fort Collins, Colorado. She will be working for NCIS for the next ten weeks investing her time through writing articles, attending adjuster schools, visiting our members, and much more.

Upon graduating this December, Hannah plans to continue following her passion to serve the Agricultural Industry. With family in both farming and ranching, yet growing up in the suburbs of Denver, Hannah inspires to become a link between those on the farm and those at the table.

Be sure to follow our [Facebook](#), [Twitter](#), [Website](#), and [Crop Insurance TODAY](#) for the unveiling of Hannah's work!
