Another active week at NCIS. With many new and important developments taking place in our industry, we bring you a "round-up" of NCIS activities, meetings, projects and progress. A list of future events will also be included in each edition.

We welcome your comments and look forward to sharing this update with you.

## An Opportunity to Give Back to the Community!

~ Donation Request for Farm Rescue ~

Each year the Crop Insurance Industry Convention collects donations for an agriculture related charity. This year's contributions will be given to Farm Rescue, an ag charity that provides planting, harvesting and haying assistance to farm families that have experienced a major illness, injury or natural disaster. Farm Rescue gives families a chance to continue their livelihood by providing the necessary equipment and manpower to plant, harvest or hay their crop, free of charge, and has assisted 250+ farm families since its inception in 2005.

Our total contribution goal is \$10,000, with \$5,000 graciously being contributed by Rain and Hail, LLC. We are currently approximately \$2,500 short of our goal and ask that you consider making a donation. So that we can maximize our donation impact, please mail your contribution check, made payable to Farm Rescue, to Sherri Scharff at NCIS no later than March 20. Receipts and/or W-9's can be provided upon request. For more information on Farm Rescue please visit [www.farmrescue.org](http://www.farmrescue.org) or contact Sherri at [Sherris@ag-risk.org](mailto:Sherris@ag-risk.org).
