NCIS Underwriting and Operations (U&O) Committee Meets in Overland Park

The MPCU Underwriting and Operations (U&O) committee’s annual meeting was held April 14 and 15 at the NCIS offices in Overland Park, Kansas. RMA representatives participated in discussions on policy and procedure updates for 2016, including creating a new General Standards Handbook based on information common to the Crop Insurance Handbook (CIH) and the Loss Adjustment Manual (LAM) Standards Handbook, additional Farm Bill implementation and expansion activities, as well as Farm Bill procedural clarifications for Supplemental Coverage Option/Stacked Income Protection Plan (SCO/STAX), Native Sod, Authority to Correct Errors, and an update on the recently issued Conservation Compliance procedures. RMA also provided an overview of potential production reporting and Actual Production History (APH) database changes under the draft APH proposed rule currently out for industry comment. The committee regularly meets via conference call on the first Tuesday of each month.
