## Crop Insurance Gives Back to the Community!

Each year the Crop Insurance Industry Convention collects donations for an agriculture related charity. This years' contributions will be given to Farm Rescue, an ag charity that provides planting, harvesting and haying assistance to farm families that have experienced a major illness, injury or natural disaster. Farm Rescue gives families a chance to continue their livelihood by providing the necessary equipment and manpower to plant, harvest or hay their crop, free of charge, and has assisted 290+ farm families since its inception in 2005.

The 2015 Crop Insurance Convention raised over \$5,000 for Farm Rescue. A big thank you to all those who made contributions and also to Rain and Hail LLC for their matching sponsoring contribution.
