CropInsuranceInAmerica

Another active week at NCIS. With many new and important developments taking place in our industry, we bring you a "round-up" of NCIS activities, meetings, projects and progress. A list of future events will also be included in each edition.

We welcome your comments and look forward to sharing this update with you.

## ***Link to Meeting Information/Registration***

Beginning with the January 2016 Claims Managers' Conference, NCIS will discontinue mailed registration forms for the three annual NCIS Conferences (Claims Managers Conference, Train the Trainer Conference Fall Conference, and Train the Trainer Spring Conference). Each weekly edition of *What's Happening* includes a list of upcoming NCIS meetings, and you can access the meetings section of the NCIS website by clicking on the link in the table below. Registration is open 4-6 weeks prior to the meeting. In addition, each company was asked to provide a list of individuals that should receive an email announcing Conference registration. If you have any questions please let us know.

## **National Association of Insurance Commissioners (NAIC)**

NCIS staff, Tom Zacharias, Mike Sieben and Troy Brady, attended the 2015 Fall NAIC National meeting held in Washington, D.C. NCIS gave an update on the crop insurance industry. Also making presentations to the group was Dave Miller, Director, Reinsurance Services Division of RMA, who provided an RMA update to the Crop Insurance Working Group.
