NCIS Employees Give Back to the Community

Harvesters' mission is to feed hungry people today and work to end hunger tomorrow. Harvesters is a certified member of Feeding America, a nationwide network of more than 200 food banks. It was named Feed America's Food Bank of the Year in 2011, recognized as a national role model for using its community's resources to feed the hungry as well as the food industry's highest food safety rating. This regional food bank serves a 26-county area of northwestern Missouri and northeastern Kansas.

To that end, NCIS employees are always looking for ways to reach out and help those in need in our community. Recently, several employees volunteered to help at the food bank by loading non-perishable groceries in sacks to be distributed and sorting and repackaging carrots. Below is a picture of a few of the many who volunteered one October day.
