Another active week at NCIS. With many new and important developments taking place in our industry, we bring you a “round-up” of NCIS activities, meetings, projects and progress. A list of future events will also be included in each edition.

We welcome your comments and look forward to sharing this update with you.

**From Our Home to Yours, Happy Holidays!
What's Happening will resume publication January 9**

Risk Management Planning—Alabama Planning Session

NCIS is partnering with Extension Educators at Tuskegee University to teach a series of workshops to help limited resource and socially disadvantaged farmers in the Strike Force counties in Alabama. The objective is to help farmers and ranchers develop risk management plans for their farms. This training will consist of a series of three sequential workshops and sixty hours of individualized instruction and homework assignments beginning in the spring. NCIS led a planning and orientation session with Extension Educators who will be involved in the project at Tuskegee, December 14. Funding for the project is from a competitive grant prepared by NCIS and selected as a Cooperative Partnership Agreement by RMA. Dr. Laurence Crane, NCIS, is Project Director and primary instructor of this activity.

CAPP Card Renewal

CAPP card renewal began December 1 and ends February 1. Listed below are renewal reminders:

1. Remind adjusters to update their CAPP account information to make sure it is current. Adjusters should login to the CAPP website and update address, phone number, and/or email address before January 1.
2. Adjusters need to make sure their email address and physical mailing address are current with the State Department of Insurance if licensed by the state.
3. Adjusters must be associated with an AIP during the renewal period to receive a new CAPP card.

4. During the renewal period, NCIS generates either a CAPP report/ letter specific to each AIP. The information is emailed to the Data Contact person at each company. CAPP Administrators may access reports through the reports menu at the CAPP website after a report is generated.
5. Starting January 3, CAPP renewal cards will be mailed out in batches.
6. Please notify us before January 1 if any adjuster name is no longer applicable for the upcoming year. We do not want to send a letter or email addressed to them.

If you have any questions regarding CAPP, do not hesitate to contact Lynnette Dillon or Dean Strasser.
