Another active week at NCIS. With many new and important developments taking place in our industry, we bring you a "round-up" of NCIS activities, meetings, projects and progress. A list of future events will also be included in each edition.

We welcome your comments and look forward to sharing this update with you.

*The spring planting season  
is upon us!*

## National Association of Insurance Commissioners (NAIC) Spring Meeting

NCIS staff Tom Zacharias and Dean Strasser attended the National Association of Insurance Commissioners (NAIC) spring meeting held in Denver, CO, April 8-11. Dean provided an informational update on the Crop Adjuster Proficiency Program (CAPP) to the Crop Insurance Working Group. Tom and Dean also met with the NAIC Advisory Organization Examination and Oversight Working Group.

## Donna Bryan, NCIS Employee, Retires

Donna Bryan, Administrative & Member Services Coordinator, recently retired from NCIS after almost 23 years of service. Many of you know Donna as you have personally spoken with her when making orders of NCIS products. Donna's responsibilities included managing the NCIS inventory of crop insurance products and keeping the membership database up to date insuring great customer service to our member companies. Donna was always a pleasure to work with because of her good humor and was always positive and dependable. Donna will be missed, but we wish her a great retirement in the years ahead.
