Objective

The objectives are to provide new and experienced loss adjusters with basic Crop-Hail loss adjustment procedure education and training, as well as an update on recent loss adjustment changes. The activities include classroom instruction sessions on crop policies and procedures and in-field hands-on crop loss adjusting. This school is designed for loss supervisors and new and experienced loss adjusters. Please dress accordingly.

Materials Needed

Tape measure, calculator, highlighter, and pen/pencil. Slip cards and loss handbooks will be provided.
