Objective

To provide new and experienced Crop-Hail and MPCl loss adjusters with basic Crop-Hail and MPCl loss adjustment instruction. Classroom sessions will focus on reviewing Crop-Hail and MPCl loss adjustment procedures for corn, cotton, grain sorghum and soybeans and weather, insects and crop production education. The field exercises will include hands-on appraising production, adjusting hail damaged corn, cotton, grain sorghum and soybeans and forms completion. Please dress accordingly.

Material Needed

PARTICIPANTS MUST BRING ALL CURRENT CROP-HAIL AND MPCl LOSS HANDBOOKS AND EQUIPMENT FOR THE FIELD EXERCISES (e.g., tape measure, pocket knife, calculator, clipboard, etc.). Copies of handbooks WILL NOT be provided. Crop-Hail and MPCl loss worksheets will be provided.

Continuing Education

Continuing Education credit will be applied for in the State of Oklahoma. Please remember to provide your current Oklahoma license number during the online registration process or when signing in at the school.

Location of K-State Agronomy Farms and Stanley Stout Center

STANLEY STOUT CENTER

2200 Denison Ave.
Manhattan, KS 66506

The Stanley Stout Center is located north of the fire house at Kimball Ave. and Denison Ave. From the corner of Kimball and Denison, turn north on Denison. The Stanley Stout Center is not visible from Denison but the entrance is on the east side of the road, north of the fire house. Watch for the sign. The entrance to the Stanley Stout Center on Denison is indicated on the map below.

K-STATE AGRONOMY FARM

2200 Kimball Ave.
Manhattan, KS 66506

The entrance to the K-State Agronomy Farm is located on the north side of Kimball Ave, north of Bill Snyder Family Football Stadium. The entrance to the Agronomy Farm is indicated on the map below.
