Objective

To provide new and experienced loss adjusters with the proper way to work claims involving Crop-Hail Rice and MPCI Peanuts. Activities will include sessions with classroom instruction on current policy and procedures. In-field sessions with hands-on loss adjusting, along with instruction on proper completion of loss forms can be expected.

Material Needed

In order to participate fully, attendees should bring the following: rubber boots, calculator, measuring tape, pocket knife, highlighter, pen and clipboard. The current handbook and additional training material will be provided to you.
