Objective

To provide new and experienced MPCl and Crop Hail loss adjusters with basic MPCl and Crop Hail loss adjustment instruction. Activities will include sessions with classroom instruction on current policy and procedures for Grain Sorghum and Millet. There will also be some claim examples and a review of proper completion of loss forms.

Material Needed

Participants **MUST** bring the appropriate MPCl and Crop Hail Loss Handbooks for the crops covered at the school. Calculators will be needed. Current MPCl and Crop Hail Appraisal Worksheets will be provided, but handbooks **WILL NOT** be provided.

Continuing Education

Continuing Education credit will be applied for in the States of Wyoming and Oklahoma. Please remember to provide your current WY and OK license numbers during the online registration process or when signing in at the school.
